

Certified Community Behavioral Health Clinic Success

The Guidance Center is committed to expanding access to mental health and substance use disorder treatment throughout Wayne County

Certified Community Behavioral Health Clinics (CCBHCs) provide a comprehensive array of services needed to create access, stabilize people in crisis, and provide the necessary treatment for those with the most serious, complex mental illnesses and substance use disorders. Services are provided to people regardless of insurance or ability to pay.

Our program has reached over 7,000 people since October 1, 2018

Will experience mental illness in their lifetime

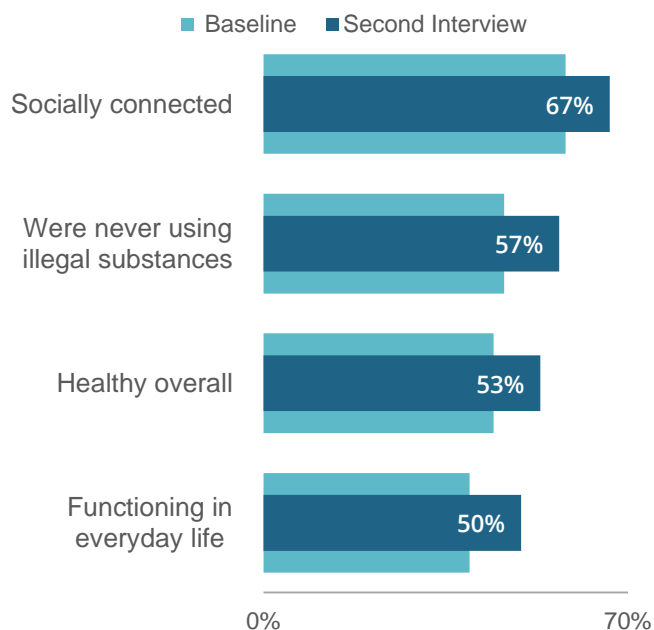

5 in 10
People with mental illness remain untreated

Cost/insurance was the most frequently cited reason for not using mental health services.

All indicators were more positive at the second interview.

“The ability to respond to people in urgent and emergent situations, including after normal business hours, will translate into more effective and immediate care that makes a **difference in the lives** of those we serve.”

-KARI D. WALKER, PRESIDENT AND CEO
