

Medical Evaluations/Treatment in Wayne County

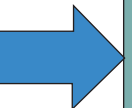

Is this incident related to:

Medical Emergency
(Immediate
medical attention
needed)

If the child has physical injuries that need medical care, or is experiencing a mental health crisis, call DWHIN Mobile Crisis Screening at 844-462-7474 or go to the **nearest emergency department**.

Sexual Abuse

Did the incident
happen less than
120 hours
(5 days) ago?

Yes (Acute)

Contact Avalon Healing Center 24/7 at 313-474-SAFE. *This number connects to a pager, press #1, leave your callback information, then hang up. Your call will be promptly returned.*

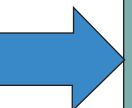

Note: Families should not be directed to urgent cares, emergency departments, or primary care physicians unless there is a physical medical concern (active bleeding, bodily injury, etc.)

No (Non-acute)

Contact the Kids-TALK Children's Advocacy Center at <https://support.iamtgc.net/support/tickets/new> or scan the QR code to schedule a medical evaluation.

Physical
Abuse/Neglect
